## My PROFILE

YUKA TOSHIMA

23/05/1998

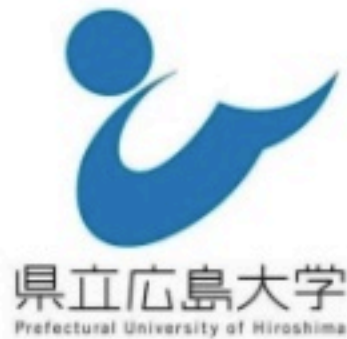

Hi I am Yuka from Japan, I enjoy making friends and get along with many people. I enjoy trying new things and get curious about topics that interest me. For example coding, when I started to learn coding I knew very little about it.

## My Interests and hobbies

- Creating websites
- Learning new things
- Karate outside of work hours

## My EDUCATION

**Bachelor of Nutrition, Prefectural University of Hiroshima, JAPAN**  
**2017 April - 2022 March**  
**I learnt Nutrition Science, especially its sports field.**

**Diproma of IT, Coder Academy, AUSTRALIA**  
**2022 February -**  
**I am currently learning, HTML, CSS and I will learn more coding languages in the foreseeable future.**
